Charter School Funding

Texas Education Code (TEC), §§12.106 and 48.001; 19 Texas Administrative Code, §100.1041

Open-enrollment charter schools are entitled to Foundation School Program (FSP) state aid. The FSP includes Tier One, Tier Two, and “Other Programs” funding.

Tier One is the basic tier of state aid funding which constitutes the bulk of the charter school’s overall total FSP state aid and is based primarily on a measure of the number of students attending the charter school district and their instructional setting.

Effective with the implementation of House Bill 3 (HB 3), 86th Texas Legislature, Regular Session, 2019, Tier One uses the state-wide average basic allotment (BA) to calculate the regular basic program allotment and several other Tier One allotments.
